

Kaktus Grup, hotel Chain from the Costa Blanca with more than 30 years of experience in hotel industry, offers you two hotels that, although sharing area, will offer our guests different facilities for their comfort, always with a nice and friendly service.

In Benidorm you'll find Hotel Benikaktus ***, facing the beach and with wonderful views over the harbour. Furthermore: all our rooms have sea view.

Only 9 km away, you'll find Hotel Kaktus Albir ****, which is located in a more peaceful area and enjoys the same good weather. Also facing the sea, with capacity for any kind of event, and with exceptional theme nights in our buffet restaurant.

Enjoy the wellbeing next to the sea!

We look forward to seeing you!
